RECOMMENDED ADHESIVES
TILES | ROLLS

1 | Install with confidence

Always consult the most recent installation manual before installation.

You can find it at www.ntgrate.eu. Always use the correct adhesive to ensure proper installation. Failure to follow the installation manual or the use of unsuitable adhesives may void the warranty conditions.

2 | Recommended adhesives for rolls & Versatiles permanent bonding

MANUFACTURER	EUROPE	NORTH-AMERICA	ASIA
UZIN	KE2000S	KE2000S	
BOSTIK	STIX A800 PREMIUM		
THOMSIT	UK 840 T 410		
MAPEI	ULTRABOND ECO V4 EVOLUTION		
	ULTRABOND ECO V4SP
